## Old Glory DC Pro Rugby Announces Iron Vine Security As Founding Partner for 2019 Exhibition Season

**FOR IMMEDIATE RELEASE -- (Washington, DC – March 12, 2019)** – Iron Vine Security, LLC, a rapidly-growing cybersecurity and

technology company based in Washington, D.C., is the latest Founding Partner for the 2019 exhibition season of the professional rugby team Old Glory DC.

As Founding Partner, Iron Vine Security will have its logo prominently featured on the back of Old Glory DC's jerseys, below the numbers. "Iron Vine Security is exactly the kind of company Old Glory wants as a partner," said Old Glory Chairman Chris Dunlavy. "They're dynamic, growing, extremely good at a sophisticated business, and dedicated to the service of the agencies and organizations that serve our country."

In addition to the jersey placement, Iron Vine Security will enjoy other promotional opportunities such as hospitality accommodations at game day events and visibility through the team's broadcast, print, and social media outreach. Old Glory DC's exhibition game schedule, currently being finalized, will run from mid-May through mid-June of 2019 and include professional, semi-professional, and club level rugby opponents from Ireland, Scotland, England, and the United States. Old

Glory DC will begin league play in Major League Rugby's 2020 season next February.

"We're thrilled to sponsor Old Glory DC," said Iron Vine Security President Bill Geimer. "Not only because it's a great opportunity for us to continue our support of men's and women's rugby here in our community, but also because of what it takes to win in rugby—teamwork, dedication, and commitment—these are values we live by as a company. It's a great fit."

"We're proud to include Iron Vine Security among a group of partners who are rooted in D.C. but are truly global in their reach, just like the sport of rugby itself," said Dunlavey. "We expect this is the beginning of a long and beneficial partnership."

### **About Old Glory DC:**

Old Glory DC is a professional rugby club based in Washington, DC that officially joined Major League Rugby in November 2018 and will begin league play in MLR's 2020 season. The club will play a series of exhibition games throughout the first half of 2019. As a recent addition to the fabric of the nation's capital and the entire mid-Atlantic community, Old Glory DC's vision is to grow the sport of rugby in our region by 50% by 2023. The club is owned by life-long rugby players Paul Sheehy and Chris Dunlavey, who are proud to bring professional rugby to their home town for the first time ever.
